

Ranking 5th of Eduniversal for 2nd consecutive year

We maintain our 5th ranking with EDUNIVERSAL EEA for the second consecutive year.

Since the first time we started applying for Ranking with [Eduniversal EEA](#) in 2021, we've got the 5th place among the best Master's program in the field of Telecommunications and Networks. This year, we have been maintaining our [5th ranking](#) for the second consecutive year. Our aim is highly ambitious: the first ranking in the next year!

We would like to welcome competent, motivated and dedicated students to join us and commit to achieving our mission: Advance Research and Innovation, and spread out the culture of Science and Technology.
